

## DISASTER RELIEF SKIP-A-PAY

Our Region has just experienced unprecedented flooding in the wake of Harvey. We know that many of our members have been displaced and everyone has had unexpected expenses due to this storm. We want to offer our members the opportunity to skip their next two month's payments at no charge to help free up needed funds to help with recovery. Please use the form below to request your skip a pay.

By submitting this form, I am requesting C-E Federal Credit Union to advance the due date equal to two month's payments on all of my eligible loans. Visa credit cards **DO NOT APPLY** for the skip a pay. I understand that interest will continue to accrue during the "Skip-A-Pay" the total interest charge will increase and extend the time required to pay my loan(s) in full based on my required minimum monthly payment. GAP insurance may not cover skipped payments (refer to your GAP contract details.)
